

Group Bookings

Here at La Villa Bianca in order to offer the best experience possible, we require a set menu for groups of 10 people or above. But don't worry as we also offer full flexibility for your menu choices

You have the option to select any dish from our A La Carte menu to create a tailor-made menu for your event, this would result in a menu that would be made up of a choice of

3 x Starters

3 x Main course

3 x Dessert

Although, this is not set in stone and further requirements can be discussed with the Manager.

Once the choices have been made the menu you have selected will be priced for you along with any further requirements i.e., welcome drinks, canapés & wine selection

For further information please contact us on
